Dear Friend,

The Lubavitcher Rebbe instructed us every year to strengthen the long-standing custom of providing every Jewish family with the required amount of Shmurah Matzoh needed for the Seder plate of Pesach.

Chabad of Cleveland will, G-d willing, be ordering Shmurah Matzoh for all those who are interested. The order form below will assist you in ordering Shmurah Matzoh for your family. There are three selections to choose from, all of the highest quality and taste.

The Crown Heights Matzos are made specifically for the Cleveland community with many extra Hidurim and stringencies.

The Ukraine Matzos, in addition to being the highest standard of Kashrus, are known for their especially tasty flavor. They are baked under the supervision of Rabbi Ashkenazi, Chief Rabbi of Kfar Chabad, Israel.

The whole wheat Matzos, also from Ukraine, are a great healthy alternative for your Pesach Seder and entire Yom Tov.

Please fill out and return the order form below with your check as soon as possible.

*For the Ukrainian Matzoh (regular or whole wheat), please make checks payable to: **Tov**.

*For the Crown Heights (Cleveland) Matzos, please make checks payable to: **Rabbi Tenenbaum**.

NOTE: Only written or emailed orders will be processed.
